Taxi car checklist

Daily, monthly and yearly

Every day before a shift

- [ ] Clean interior and neutral smell
- [ ] Lights, indicators, wipers
- [ ] Tyres — visual check and pressure on the display
- [ ] TAXI sign, driver ID, licence extract in the car
- [ ] Phone charger for passengers

Every month

- [ ] Tyre pressure and tread
- [ ] Oil, coolant and washer fluid
- [ ] Air conditioning and cabin filter
- [ ] First-aid kit and extinguisher — complete and in date

Yearly and deadlines

- [ ] Technical inspection
  A taxi needs an extra check for the registration entry.
- [ ] OC insurance
  Driving without OC means a heavy fine and debt risk after an accident.
- [ ] Driver medical checks
  Watch the expiry date on your certificate.
- [ ] LPG service
  Regular check of the installation.
